Dates of Fieldwork: November 17 - December 20, 2006; n=1400 for national sample; Margin of error: Plus/Minus 2.75%

Agree or Disagree:

“People like me have little or no influence on the way things are run in Azerbaijan.”

“Voting gives people like me a chance to influence decision-making in Azerbaijan.”

---

People Have Little Influence

- Strongly Disagree: 11%
- Somewhat Disagree: 19%
- Somewhat Agree: 27%
- Strongly Agree: 30%
- DK/NR: 13%

Voting Gives Influence

- Strongly Disagree: 16%
- Somewhat Disagree: 23%
- Somewhat Agree: 29%
- Strongly Agree: 15%
- DK/NR: 17%
Information about Elections

**Enough Information to Make Wise Choice When Voting?**

- Very little information: 28%
- No information: 7%
- DK/NR: 4%
- Some information: 48%
- Enough information: 13%

“In your opinion, do you receive enough information about political developments in our country to make wise choices when it is time to vote in the elections?” (n=1400)

**Information about Election Process**

- Not too much information: 30%
- None at all: 10%
- DK/NR: 2%
- Fully informed: 13%
- Somewhat informed: 45%

“Are you fully informed about the election process in Azerbaijan, somewhat informed about the election process, not too informed, or not at all informed about the election process in Azerbaijan?” (n=1400)

Dates of Fieldwork: November 17 - December 20, 2006; n=1400 for national sample; Margin of error: Plus/Minus 2.75%
“As you may know, sometimes people cast votes on behalf of other voters in elections. Did someone cast your vote for you in the November 2005 parliamentary elections? [If No] Did you vote in the 6 November, 2005 elections for parliament?” (n=1400)
“As you may know, there are reports around election time that ordinary Azerbaijanis are offered money or goods to vote for a particular party or candidate in the election. Do you think that this type of behavior happens all the time in elections in Azerbaijan, most of the time, some of the time, or that it happens rarely?” (n=1400)

“Do you know any close friends or relatives who were offered money, goods, or other material things to vote for a particular party or candidate in the November 2005 parliamentary elections?” (n=1400)
“As you may know, there are internationally accepted standards for the administration of elections that are free and fair. To what extent do you think the November 6, 2005 parliamentary elections in Azerbaijan met these standards? Do you think the November 2005 elections completely met the international standards, met most of the standards, met only some of the standard, or did not meet the international standards at all?” (n=1400)
