

Lisa Reppell, Senior Research Officer, International Foundation for Electoral Systems

Lisa Reppell is a senior research officer at the International Foundation for Electoral Systems (IFES), where she conducts projects across IFES' research portfolio, including political and electoral disinformation, youth political participation, election dispute resolution and electoral integrity. She is a co-author of publications including *Raising their Voices: How effective are pro-youth laws and policies* and *Elections on Trial: The Effective Management of Election Disputes and Violations* as well as multiple IFES technical and electoral integrity assessments. Prior to joining IFES, Reppell was a grantee of the Open Society Foundations in South Africa and Mozambique and a consultant researcher and facilitator based in Istanbul, Turkey. She holds a master's degree in political science from Sabanci University in Istanbul.
