Under BUILD, IFES will implement the Chiragh se Chiragh (C2C) initiative to bolster civic knowledge among young people. C2C is a leadership and civic engagement training program for youth in universities and colleges. It equips young leaders with soft skills and information related to fundamentals of human rights, gender equality, inclusion of marginalized groups, climate governance, democracy, elections and civic/voter participation. At the end of the training program, participants will design and implement post training action plans to conduct education and outreach activities to community members, employing both in-person and online methods.

IFES is looking for local civil society organization (CSO) partners for implementation of the C2C project in the selected districts of Sindh, Balochistan and Khyber Pakhtunkhwa as detailed in the following table.

Geographical Location	Balochistan (Lasbela, Quetta)	Sindh (Karachi, SB Abad and Naushehro Feroze)	KP (Peshawar, Bajaur and Khyber)
