**Call for Concept Papers (CCP) for Innovative Voter Education Grants Competition in Malawi for 2025  
Elections**

**Questions and Answers**

**January 16, 2025**

**Q1. Are consortiums allowed under this call?**

**IFES Response:** *Consortiums are allowed to respond to the call for concepts, so long as there is an identified prime or the consortium is a registered entity and fulfils the eligibility conditions listed in section 3.4 of the call for concepts. Please note that responding as a consortium will not increase the chances of receiving funding.*

**Q2. The maximum number for the concept paper is 3 pages. Does this include section B of the proposal?**

**IFES Response:** *No, section B is separate from the concept paper and will not make up or be counted as part of the 3 pages of the proposal.*
