COMMONWEALTH OF VIRGINIA
INSTRUCTIONS FOR ABSENTEE VOTING
VOTE AND RETURN YOUR BALLOT PROMPTLY

You have applied for a ballot to vote absentee. The ballot is enclosed in sealed envelope marked **BALLOT WITHIN; DO NOT OPEN EXCEPT IN THE PRESENCE OF A WITNESS.**

**BEFORE
VOTING**

1. Do not open the envelope marked **BALLOT WITHIN** until in the presence of the witness. If voting in the office of a Virginia election official, the witness must be a Registrar or Secretary of the Electoral Board. After removing the ballot, mark it in the presence of the witness but without assistance and without making known to the witness how you vote. If you are physically or educationally unable to vote without assistance, see Item 7 on the reverse side of this form.

TO VOTE:

2. In the square immediately to the left of the name of each candidate for whom you wish to vote, place a cross (X or +), or a check (✓), or a line(—), leaving the square to the left of those for whom you do not wish to vote **unmarked**.
3. Fold the ballot with the names of the candidates on the inside, place it in the **MARKED BALLOT** envelope and seal the envelope. Do **not** place anything in this envelope other than the voted ballot. On the back of this envelope complete, sign and date the oath, filling in all required information. The witness must also sign. If the voter is unable to sign his name, an "X" or "mark" made by the voter will fulfill any signature required of the voter.
4. Place the sealed **MARKED BALLOT** envelope in the return envelope addressed to the Secretary of the Electoral Board. This envelope must be mailed or delivered by you in person to the Registrar or Secretary and must be **received** by them before 7:00 p.m. on the day of the election.

**UNUSED
BALLOT:**

5. If for any reason you decide not to vote this ballot, do not open the **BALLOT WITHIN** envelope. You **are required by law to return it unopened** on or before the day of the election to the Secretary of the Electoral Board from whom you received it.

**SPOILED
BALLOT:**

6. If you spoil this ballot by making an error when marking it or by accidentally damaging it, if there is time prior to the election, you may receive a new ballot by **returning** the spoiled or damaged ballot to the Secretary of the Electoral Board with a letter signed by you stating that the returned ballot is spoiled and requesting a new ballot.

**VOTER
ASSISTANCE:**

7. If you indicated on your application that you will need assistance in voting your ballot, a **VOTER ASSISTANCE OATHS** form is enclosed. **No assistance can be given to an absentee voter unless this form is completed and returned.**

Unless you are blind, you must sign the **OATH OF VOTER** on this form. The person assisting you must sign the **OATH OF ASSISTANT**.

The properly completed form must be returned in the envelope addressed to the Secretary of the Electoral Board.

In addition, in the Oath of Voter on the back of the **MARKED BALLOT** envelope, the words "**without assistance or knowledge on the part of anyone as to the manner in which the same was prepared**" must be **marked out** before the voter signs that oath.

**BLIND
VOTERS:**

8. The person assisting a blind voter must print, on the line provided in the **OATH OF VOTER**, the blind voter's full name followed by the words "blind voter"; and, in the **OATH OF ASSISTANT** their own full name and address. Then proceed as indicated in the last two paragraphs in Item 7. above.
