PARLIAMENTARY ELECTION

This card is for information only. You can vote without it but it will save time if you take it to the Polling Station and show it to the clerk there.

When you go to the Polling Station, tell the clerk your name and address, as shown on the front of the card. The presiding officer will give you a ballot paper; see that he or she stamps the official mark on it before it is given to you.

Go to one of the compartments. Mark a cross (x) in the box on the right hand side of the ballot paper opposite the name of the candidate you are voting for

Fold the ballot paper in two. Show the official mark to the presiding officer, but do not let anyone see your vote. Put the ballot paper in the ballot box and leave the polling station.

Vote for one candidate only.

If by mistake you spoil a ballot paper, show it to the presiding officer and ask for another one.

If you have appointed a proxy to vote in person for you, you may nevertheless vote at this election if you do so before your proxy has voted on your behalf.

If you have been granted a postal vote, you will not be entitled to vote in person at this election, so please ignore this poll card.
