### **INSTRUCTIONS TO VOTERS**

#### INSTRUCTIONS TO VOTERS: VOTE ONLY ONE BALLOT CARD AT A TIME. PLACE THE BALLOT CARD UNDER THE PLASTIC SO THAT IT LIES COMPLETELY FLAT IN THE BALLOT CARD TRAY.

To vote for a candidate whose name appears on the ballot, PUNCH OUT THE CROSS (+) in the voting square to the right of the candidate's name. Where two or more candidates for the same office are to be elected, PUNCH OUT THE CROSS (+) after the names of all candidates for the office for whom you desire to vote, not to exceed, however, the number of candidates to be elected.

To vote for a qualified WRITE-IN candidate, write the person's name in the blank space provided for that purpose after the names of the other candidates for the same office and PUNCH OUT THE CROSS (+) to the right of the name you have written in, or your vote will not be counted. DO NOT WRITE IN A NAME THAT IS ALREADY PRINTED ON THE BALLOT.

To vote on any measure, PUNCH OUT THE CROSS (+) in the voting square after the word "YES" or after the word "NO".

All distinguishing marks or erasures are forbidden and make the ballot void.

If you wrongly punch, tear or deface any portion of your ballot cards, replace the cards in the ballot envelope, return it to the Precinct Board Member and obtain another set.

MAKE SURE YOU VOTE BOTH SIDES OF YOUR BALLOT CARDS.

AFTER YOU HAVE COMPLETED VOTING, place your ballot cards in the ballot envelope with the NUMBERED STUBS AT THE TOP. Hand it to the Precinct Board Member who shall, in your presence, remove the numbered stubs, hand them to you and deposit the voted ballot in the ballot box.

# **IMPORTANT NEW LAWS**

### New Deadline to Register to Vote

**Important Notice!** - A new law has changed the deadline to register to vote from the 29th day to the 15th day before an election. The last day to register to vote in the March 5, 2002 election is February 19, 2002. Persons who register to vote between February 4th and February 19th will receive a notice of their polling place location. They will not receive a sample ballot pamphlet.

**Register Early!** - Please encourage your family and friends to register on or before February 4, 2002, to ensure they receive all the election information they need.

**Provisional Voting - If your name does not appear on the list of voters at the polling place, you are entitled to vote a "provisional" ballot. You may be asked to show proof of your residence address.** A provisional ballot is the same as a regular ballot. However, election officials are required to verify a voter's registration before counting provisional ballots. If you are required to vote by provisional ballot, the poll workers at your polling place will be able to assist you.

### **MODIFIED PRIMARY ELECTION**

### The History Behind California's Primary Election System

#### **Closed Primary System**

A "closed" primary system governed California's primary elections until 1996. In a closed primary, only persons who are registered members of a political party may vote the ballot of that political party.

#### **Open Primary System**

The provisions of the "closed" primary system were amended by the adoption of Proposition 198, an initiative statute approved by the voters at the March 26, 1996 primary election. Proposition 198 changed the closed primary system to what is known as a "blanket" or "open" primary, in which all registered voters may vote for any candidate, regardless of political affiliation and without a declaration of political faith or allegiance.

On June 26, 2000, the United States Supreme Court issued a decision stating that California's "open" primary system, established by Proposition 198, was unconstitutional because it violated a political party's First Amendment right of association. Therefore, the Supreme Court overturned Proposition 198.

#### **Modified Closed Primary System**

California currently has a "modified" closed primary system. SB 28 (Ch. 898, Stats. 2000), relating to primary elections, was chaptered on September 29, 2000 and took effect on January 1, 2001. SB 28 implemented a "modified" closed primary system that permits unaffiliated voters to participate in a primary election if authorized by an individual party's rule and duly noticed by the Secretary of State.

### **HOW DOES THIS AFFECT YOU?**

All voters who are registered with a qualified political party will be given the party ballot indicated on their voter registration records. If you are a voter who is not affiliated with a qualified political party, you may be able to vote for a candidate of a specific party in the upcoming March 5, 2002 primary election. You may request the ballot of a political party if authorized by the party's rules and duly noticed by the Secretary of State.

If you do not request such ballot, you will be given a nonpartisan ballot, containing only the names of all candidates for nonpartisan offices and measures to be voted upon at the primary election. If you want to know which of the political parties will permit you to vote their ballots at the March 5, 2002 election, you may call toll free: 1-866-DTS-VOTE (1-866-387-8683) or visit our website at www.oc.ca.gov/election/.

## **CAMPAIGN EXPENDITURE LIMITATIONS**

**Proposition 34,** passed by the voters at the November 7, 2000 election, provides that state legislative candidates who voluntarily limit their campaign expenditures in accordance with Proposition 34, may submit a candidate statement of qualifications for inclusion in the sample ballot and voter information pamphlet. The list below includes all legislative candidates within Orange County. Candidates that have voluntarily agreed to expenditure limitations are indicated with an asterisk after their name.

#### KIMBERLY MENNINGER OCCUPATION: Deputy District Attorney

Law enforcement's choice for Superior Court Judge!

Police, prosecutors and crime victims overwhelmingly support my candidacy for Superior Court Judge. I have a reputation for prosecuting criminals to the fullest extent of the law in a fair and honorable manner.

Endorsements:

Association of Orange County Deputy District Attorneys Association of Orange County Deputy Sheriffs Orange County Attorney's Association Police Associations: Anaheim, Buena Park, Fullerton, Irvine, La Habra, La Palma, Santa Ana, and Tustin. Los Angeles Police Protective League Citizens for Law and Order District Attorney Tony Rackauckas Sheriff Michael Carona Supervisor Todd Spitzer Ken Maddox Assemblyman 68th District Over 40 Judges, Commissioners and numerous Police Chiefs

For the past 15 years I have served the citizens of Orange County as a Deputy District Attorney. Eight of those years were spent prosecuting Gang members throughout Orange County for serious crimes such as murder, carjackings, robberies, kidnappings and drive-by shootings. I have tried 70 jury trials and hundreds of court trials.

I work with schools and philanthropies to deter kids from crime: The Assistance League, DAR and Trinity Presbyterian Church.

As your Superior Court Judge:

I will Support Three Strikes, enforce the Death Penalty and Protect Victim's Rights.

I'm honored to receive your vote. www.kmenninger.com

#### JUDGE OF THE SUPERIOR COURT OFFICE NO. 3

#### BRUCE WILLIAM DANNEMEYER OCCUPATION: Trial Attorney

AGE: 44

AGE: 42

Police chiefs, current and former prosecutors, and judges support me. In addition to law enforcement, federal, state, and local elected officials, Bar Association presidents, countless lawyers (even those I battled in court), educators, and clergy support me. Former Governor George Deukmejian supports me (and the Governor appoints most judges). Why? Because they know I have the experience, integrity, and dedication to public service to be the type of Judge we need.

I pledge to:

Strongly support the Death Penalty and 3-Strikes. Guarantee the right of victims of crime to be heard. Crack down on gangs. Strictly construe the Constitution. Fight frivolous lawsuits.

Judge my qualifications for yourself.

Fought for justice in Court for 19 years. Practiced before the California Supreme Court. Testified before State Senate Committee on legislation to protect property owners. Served as Judge pro tem. Rated highest for ability and ethics by fellow attorneys. 33-year resident of Orange County. President of my church.

My integrity is based on traditional values, a no-nonsense approach, strength of character, common sense, and proven leadership. I will be tough and fair.

The Declaration of Independence says all men are created equal. Every person in my courtroom will realize that solemn commitment.

#### JUDGE OF THE SUPERIOR COURT OFFICE NO. 3

#### GRAINNE HARDIMAN-WARD OCCUPATION: Lawyer

As a Certified Family Law Specialist, I have a tough, no nonsense reputation within the legal community in juvenile, domestic violence, paternity, child support and spousal support cases.

I support order and justice. I support the death penalty where warranted. I will be a Judge who is fair, follows the law and protects the public.

I will be a Judge whose main concerns are protecting the families of our community, especially in cases involving drunk drivers, drug dealers and gang violence.

I have a Bachelor's Degree from University College, Dublin Ireland, teacher's credentials from Dominican College, Sion Hill, Blackrock, Dublin Ireland, and a Law Degree from Western State College of Law, Fullerton.

I am the mother of three children. One son is a police officer with SWAT. I have practiced law in Orange County for 16 years. I know I am well qualified to be a Judge, as do the Judges, Commissioners, District Attorneys, elected officials, law enforcement, lawyers, ordinary citizens, and County employees, who support and believe in me.

I welcome the opportunity and the challenge to serve the people of Orange County as Judge of the Superior Court.

LANCE JENSEN AGE: 41
OCCUPATION: Deputy District Attorney
Law enforcement is overwhelmingly united behind my candidacy. Police, prosecutors, judges and crime victims support me. I will be a fair, no-nonsense Judge, who supports law and order for the citizens of Orange County. As a Deputy District Attorney for 11 years, I have served you by prosecuting felony crimes including robbery, burglary, spousal and child abuse. I am currently assigned to the Gang Unit where I prosecute gang members for homicides, assaults, terrorist threats and witness intimidation. This experience provided the foundation for my dedication to community safety. I support Victim's Rights, "Three Strikes" and the death penalty. In 1994, I was selected "Outstanding Prosecutor" in recognition for my service to the office of District Attorney and citizens of Orange County. In 2000, I received an Award of Appreciation from the California District Attorneys Association for outstanding service in the field. I'm endorsed by Sheriff Mike Carona, District Attorney Tony Rackauckas, and: Association of Orange County Deputy Sheriffs, Association of Orange County Deputy District Attorneys, Orange County Attorneys Association. Police Associations of Anaheim, Buena Park, Fullerton, Irvine, La Habra, La Palma, Santa Ana, Tustin, Citizens for Law and Order and dozens of Superior Court Judges. With your vote I will continue to work for a safe community. www.lancejensenforjudge.com

#### JUDGE OF THE SUPERIOR COURT OFFICE NO. 22

#### KELLY MACEACHERN OCCUPATION: Deputy District Attorney

We deserve to be safe. Our children and grandchildren deserve to be safe. And crime victims deserve a voice.

In over 20 years as a prosecutor, I tried more jury trials than any deputy now in the District Attorney's Office. I was named Outstanding Prosecutor for my work locking up some of Orange County's most violent offenders.

For years I put rapists and child molesters in prison as a member of the elite Sexual Assault Unit and Child Abuse Services Team. Now I prosecute men who batter their wives or girlfriends. They belong in jail, and after that in treatment programs.

I was the first special deputy to prosecute serious juvenile offenders. Gang members who terrorize our community belong in prison. Period. I support Three Strikes for repeat violent offenders and the death penalty for killers who deserve it.

I believe strongly in drug treatment rather than jail or prison for first-time and small drug offenders. Big drug dealers belong in prison.

I live in Mission Viejo with my husband of 22 years, whom I married in County Kerry, Ireland. We have five children.

Please help me to continue protecting the community as your judge. Thank you.

#### JUDGE OF THE SUPERIOR COURT OFFICE NO. 22

AGE: 46

#### VICKIE ANN BRIDGMAN OCCUPATION: Deputy District Attorney

I am seeking the judicial position being vacated by a great jurist and combat decorated Vietnam Navy pilot, Donald MacIntyre, who is retiring. I am extremely proud to be endorsed by Judge MacIntyre.

My reputation as a Deputy District Attorney has earned me the widespread support of law enforcement and community leaders including Orange County Sheriff Michael Carona, the Honorable Marian Bergeson, police chiefs such as Santa Ana's highly regarded Paul Walters, noted homicide prosecutor Chris Kralick, the President of the Orange County Attorneys Association, and numerous judges, police officers and crime victims. These endorsements are an honor to me because they are from people who know the importance of qualified judges.

As a prosecutor, I have committed my best efforts to keeping our streets, schools and neighborhoods safe. I have prosecuted all types of criminals from vicious gang members to violent robbers and burglars. I support the "Three Strikes" law and the death penalty. I believe strongly in our war against terrorism.

I have been a victim of crime. As a child, I experienced the horror of being assaulted by a stranger in my neighborhood. As a mother, my heart was broken when a careless and speeding driver killed my wonderful son.

A strong work ethic was instilled in me at an early age from working class parents. I learned the importance of hard work, American values and good citizenship. I worked to put myself through Cal State Fullerton and Law School, graduating as valedictorian and first in my class of over 300.

I have served as the President of two Bar Associations. In addition, I have demonstrated my civic spirit by my involvement with MADD, The March of Dimes and The Society to Prevent Blindness. Currently I am serving as the volunteer President of Drive S.A.F.E., a non-profit organization that sponsors safe driving assemblies for teenagers in our high schools. I am particularly proud of my volunteer work with the Automobile Club of Southern California that helped enact the graduated drivers license program in California. This resulted in 40% drop in deaths and injuries due to car crashes among teenagers.

I grew up in Orange County. I have worked, worshiped and raised my family here. I will be a fair and ethical, commonsense judge. I respectfully request your vote.

#### JUDGE OF THE SUPERIOR COURT OFFICE NO. 27

#### DAVID BRENT AGE: 45 OCCUPATION: Senior Deputy District Attorney - Homicide Prosecutor

Police, prosecutors and crime victims support me because they know I will be a fair, no-nonsense Judge who will support law and order for the citizens of Orange County.

For the past 17 years when faced with prosecuting important, high profile cases, Orange County has put its trust in me. I have served you by prosecuting numerous felony crimes, including murder, street gang terrorism, rapes, child molestations, robbery, burglary, arson, spousal abuse and welfare fraud.

I am uniquely qualified for this Judgeship. I am a Senior Deputy District Attorney, assigned for the past 10 years to the Homicide Unit. I have prosecuted close to 50 murder jury trials, including gang homicides, child and infant deaths and drunk driving deaths.

Four killers are on death row because of cases I took to trial. These trials involved the cop killer of LA Sheriff's Deputy Shayne York in a Buena Park hair salon after the killer discovered Deputy York's badge, the killer of a senior citizen in her Los Alamitos home, the triple murder of a father, mother and brother in their Fullerton home and the carjack murder of Joey Kondrath as he drove to school in Anaheim.

I am currently prosecuting death penalty trials involving the murder of a 12 year old boy in La Habra and the brutal murder of Orange County Deputy Sheriff Brad Riches outside a 7-11 store in Lake Forest.

I strongly support 3 Strikes and Victims Rights. I am endorsed by Victims Rights organizations such as Citizens for Law and Order. I have worked closely with MADD in assisting victims in DUI-related homicides.

I'm honored to be endorsed by:

Orange County Deputy District Attorneys Association Orange County Deputy Sheriffs Association Orange County Attorneys Association District Attorney Tony Rackauckas Sheriff Michael Carona Santa Ana Police Chief Paul Walters Dozens of Superior Court Judges, including Judges Frank Briseno, Nho Trong Nguyen, Wendy Lindley, Kazuharu Makino and Robert Fitzgerald President of the Asian American Bar Association Police Associations: Anaheim, Fullerton, Huntington Beach, Irvine and Santa Ana

I am a Southern California native with a law degree from Brigham Young University. I have been married for 17 years to the former Clara Araujo. We have 3 children.

I have dedicated my career to fighting crime. The safety of our neighborhoods and schools is my highest priority. Please allow me to continue to serve you by electing me as Superior Court Judge. Thank you.

#### JUDGE OF THE SUPERIOR COURT OFFICE NO. 27

#### GLENDA SANDERS OCCUPATION: Trial Attorney/Professor

Why should you vote for me?

Not just because Judge Robert Monarch, a respected jurist of 14 years, is retiring and has endorsed me as his Superior Court successor, or because dozens of other judges, as well as law enforcement, firefighters and elected representatives at the national, state and local levels, are united behind my candidacy.

Not just because I have experience as both a criminal prosecutor and as a civil trial attorney, and judges must be familiar with both areas of the law. I gained both criminal and civil law experience in my capacity as a courtroom attorney, a Special Assistant Deputy District Attorney in Orange County, and as a partner in the Orange County office of Latham & Watkins, a law firm recognized as one of the top 20 law firms in the country.

Or because I graduated first in my law school class in 1979, then earned a Master's Degree in Law. During my 20 year legal career, I have handled cases ranging from capital homicides, kidnappings, gang-related cases and family law disputes to multimillion dollar commercial matters for Fortune 500 companies.

Or because I am involved in our community, having served on the boards of charitable institutions such as Human Options, which helps those affected by domestic violence, and Girls' Inc., which promotes healthy after-school activities among teenage girls.

Or because, in addition to practicing law, I have also taught law at Chapman University Law School, where President Jim Doti and Law School Dean, Parham Williams, endorse my candidacy.

Ultimately I believe I deserve your vote because, as a committed member of this community and the mother of two children, the proper enforcement of our laws and the safety of our neighborhoods are paramount concerns for me. I support the Three Strikes Law and the death penalty in appropriate cases. I have spent hundreds of hours providing free legal advice to those victimized by fraud, and I fully support Victims' Rights.

In addition to those above, my endorsements include the Orange County Professional Firefighters' Association and:

United States Representatives Christopher Cox, Ed Royce and Loretta Sanchez; State Senators Dick Ackerman, Joe Dunn, Ross Johnson and Bill Morrow; Assemblymembers Pat Bates, Bill Campbell, John Campbell and Ken Maddox.

With your vote I will work diligently to support law and order for you and your family.

I will lead the effort to: Upgrade our schools and classrooms Increase academic performance Increase the safety and security of our schools Implement strict fiscal accountability I have dedicated my life to improving our community. That is why I oppose the El Toro Airport. I have defended our Nation in the military during times of war and peace, served on multiple boards of directors and overseen multi-million dollar budgets. My skills and experience in teaching the blind has shown me how children can grow and prosper in the correct educational environment. Through my leadership and experience, I will work to provide that haven so our children will all achieve success. Due to my background and experiences I've earned the endorsement of many school board trustees, parents and teachers. Please join me in improving our schools. Vote for Gregory A."Greg" Powers.	As President of the Orange County Board of Education, I offer the leadership and track record in public education to deserve your vote! Under my leadership the Department has: Reduced top Administrative Positions; Increased spending in classrooms; Reduced the drop out rate to the lowest in our history; Reduced the crime in our schools; Balanced the budgets annually, ending each year with a reserve fund; Continued to receive praise from the Grand Jury for outstanding educational programs we provide to our students; Improved and enlarged 6th Grade Outdoor Science Camps; Reduced class sizes The children in our schools deserve even more to compete in the 21st Century! During my next term I will work to: Put even more dollars in our classrooms; Continue to be the taxpayer's "watch dog"; Improve rigorous curriculum; Defend local control; Improve teacher recruitment and retention; Continue to "wire" classrooms for technology; Personally: Attended and graduated from Newport-Mesa schools; My own children attend Newport-Mesa schools; Locally: H.S. Foundation board member, past president youth baseball, PTA volunteer Education: B.A. UCLA, M.P.A. CSU Fullerton To continue our great progress, I need your vote for County Board of	
	Education.	

SUPERVISOR, FIFTH DISTRICT
THOMAS W. "TOM" WILSON AGE: 61
OCCUPATION: 5th District County Supervisor
As your Orange County Fifth District Supervisor, I continue to work closely with South County to ensure that the El Toro airport will never be built. Orange County does not want or need an unsafe and unnecessary airport that would destroy the quality of life for all Orange Countians. The best use for El Toro is unquestionably one that incorporates open space with recreational, cultural and educational opportunities.
Preserving and protecting our quality of life has been my primary goal for the past five years. As chair of the California Coastal Coalition, I've promoted clean water, beach restoration and wetlands protection in Washington, Sacramento and here at home. I support a southern nature reserve and am working to complete the "Mountains to Sea" hiking/bike and equestrian trail. I've worked closely with the Orange County Fire Authority and the Sheriff's department to improve emergency response and with local judges to stop domestic violence and child abuse. Another top priority has
been to assure more affordable senior housing and transportation options. I've been honored to serve the people of the South Orange County, and I look forward to continuing my work on behalf of the Fifth District.

ASSESSOR	
WEBSTER GUILLORY	
OCCUPATION: Incumbent Assessor	
As the independently elected Assessor, my first responsibility is to the taxpayers of Orange County.	
The Assessor's Office sets the taxable value of property, according to the laws of the state, and administers the many state exemption programs available to the taxpayers.	
I am an experienced private and public sector business manager. The Assessor's Office has won numerous awards and commendations from several sources, including the Orange County Grand Jury. Orange County taxpayers pay the least amount of cost for the work performed from this Office compared to Assessors Offices' throughout the state.	
I am a hands-on, conservative manager that encourages technological development and productivity. My priorities for the coming years are to maintain a high level of integrity; keep up with technological changes that continue to improve methods that assist the public to communicate with this office.	
My experience includes a Bachelor and a Master of Science degree. I was recently given the coveted "Millennium 2000 Manager of the Year" award from the Society for the Advancement of Management, and appointed to the Board for the Peter F. Drucker Graduate School of Management.	
I respectfully ask for your vote and the privilege to serve you.

DISTRICT ATTORNEY	DISTRICT ATTORNEY	
WALLACE WADE AGE: 55 OCCUPATION: Senior Deputy District Attorney, County of Orange	TONY RACKAUCKAS       AGE: 58         OCCUPATION: District Attorney of Orange County	
Orange County residents deserve a District Attorney with unchallenged integrity who will fairly but aggressively enforce the law, free from political influence or special interests.	As your District Attorney, I've worked hard to make our communities safe. Since I took office in 1999, the crime rate has dropped, gang crime has hit a five-year low and gang murders are down 50%. We've enforced the Death Penalty and Three Strikes, protecting you from violent criminals.	
That's why, for the first time ever, the Association of Orange County Deputy District Attorneys - the men and women who prosecute criminals on your behalf every day - have endorsed a challenger for the office of District Attorney.	My program to combat gangs and help kids is working. Gang membership is down by 2,000 with 33 gangs eliminated. Child Support collections are up over 60% while caseloads are down. Children and taxpayers are benefiting. My experience: Orange County Prosecutor and Judge 28 years.	
It's also why Orange County law enforcement, the Police Officers Associations of Anaheim, Buena Park, Huntington Beach, La Habra, Newport Beach, among others, has endorsed my candidacy.	Police, Crime Victims and Elected Representatives have united behind me including:	
During my 25-year career as a prosecutor, I have brought criminals to justice in every major crime category, including rape, robbery, kidnapping, child molestation and political corruption, with a 100% conviction record in	Sheriff Mike Carona, Police Chiefs of Anaheim, Brea, Costa Mesa, Cypress, Fountain Valley, Huntington Beach, La Habra, Los Alamitos, Placentia, Santa Ana, Seal Beach, Tustin, UC trvine, Westminster; Congressmen Royce, Cox, Rohrabacher, Miller; Senators Ackerman, Dunn, Johnson, Morrow; Assemblymembers Bates, Harman, Maddox, Correa, Bill Campbell, John Campbell; Supervisors Spitzer, Wilson, Silva, Smith, Coad; Mayor Wyatt Hart, Councilmember Mimi Walters;	
murder trials. My leadership in the DA's Office includes development of innovative programs to increase child support and combat elder abuse, child abuse and domestic violence. It includes service on:		
U.S. Justice Department's Organized Crime, Racketeering Strike Force Faculty, National College of District Attorneys Board of Directors, California District Attorney's Association President, Association of Orange County Deputy District Attorneys	Associations from: International Union of Police representing Orange County Sheriffs Department and 80,000 Officers; Santa Ana Police Officers, Seal Beach Police Officers, Latino Peace Officers, Orange County Professional Firefighters, Crime Victims United, Memory of Victims Everywhere, Friends and Victims United.	
Join the working men and women of law enforcement in electing an honest, tough, independent and professional prosecutor as Orange County District Attorney.	I'm honored to serve you. www.OCDistrictAttomey.com

PREAMBLE	

We, the citizens of Orange County, with a desire for self-determination in selecting our county elected officials and to initiate the process to govern our county by charter government, do hereby adopt this charter.

#### ARTICLE I - BOARD OF SUPERVISORS

101. Governing Body.

The governing body of the county is a Board of Supervisors of five (5) members elected by and from designated supervisorial districts.

102. Terms of Office.

The term of the office of supervisor is four (4) years.

103. Filling of Vacancies

Notwithstanding any other provision of law, whenever a vacancy occurs in the office of supervisor, the vacancy shall be filled as follows:

A. If the vacancy occurs in the first 1095 days of the term of office, the vacancy shall be filled by a vote of the electors of that district at a special election to be called by the Board of Supervisors not less than 56 days nor more than 70 days after the vacancy occurs. If the vacancy occurs within 180 days of a regularly scheduled election held throughout the supervisorial district, the election to fill the vacancy may be consolidated with that regularly scheduled election.

The person receiving the highest number of votes in that election shall fill the vacancy.

B. If the vacancy occurs within the final year of the term, the vacancy shall be filled by the person receiving the highest number of votes for Supervisor in that district in the March primary election that year. If that person for any reason does not assume the office for the remainder of the term, the Board of Supervisors is hereby authorized to appoint a person to fill the vacancy. If the Board of Supervisors does not make such an appointment within 30 days following the certification of the March primary election results or following the failure of that person to assume the office, whichever comes later, the Board of Supervisors shall call a special election to be held not less than 56 nor more than 70 days thereafter to fill the vacancy. The person receiving the highest number of votes in that special election shall fill the vacancy.

#### ARTICLE II - GENERAL

201. Initiative and Referenda.

This charter does not abridge or modify the rights of citizens to propose initiatives and referenda (including amendments to this charter) as provided for in the general laws of the State of California.

202. General Law Governs.

Except as expressly set forth in this charter, the general law set forth in the Constitution of the State of California and the laws of the State of California shall govern the operations of the County of Orange.

203. County Ordinances Enacted by the Voters Remain in Effect.

Ordinances of the County of Orange adopted by the voters prior to the enactment of this charter shall remain in full force and effect and may only be modified or repealed by a vote of the people.

#### IMPARTIAL ANALYSIS BY COUNTY COUNSEL

The California Constitution requires the Legislature to provide for county powers, an elected governing body, the election of certain county officers and police powers. This body of county law is known as general law. Orange County is presently a general law county, as opposed to a charter county.

The California Constitution permits the voters of a county to adopt a charter for its own government. Where a charter does not mention a subject, the subject is governed by general law. This measure would change Orange County from a general law county to a charter county in the way vacancies are filled in the office of Supervisor.

The term of office for members of the Board of Supervisors is four years, and a Supervisor takes office on the first Monday after January 1 following the election. If a vacancy occurs, the Governor fills the vacancy by appointment, and the appointee holds office until his or her successor is elected. A successor may be elected at the March primary election if a candidate receives a majority of all votes cast for that office. If no candidate receives a majority, then there is a run-off election at the November general election. However, if the term of the office being vacated expires on the first Monday after January 1st succeeding the general election, no election to replace the appointee is held, and the appointee holds office to the end of the term of the Supervisor who vacated office.

The proposed charter (Measure V) would change current general law. Under the proposed charter, if a vacancy occurs in the first three years of a Supervisor's term of office, the Board of Supervisors would be required to call a special election in the district with the vacancy. The charter does not provide for a run-off election, and the person filling the vacancy need not receive a majority of votes. Rather, the person receiving the highest number of votes would fill the vacancy.

However, if the vacancy occurs during the fourth and final year of a Supervisor's term of office there would be no election, and the vacancy would be filled by the person receiving the highest number of votes in the Supervisor's district in the March primary election that year. The charter provides that if that person does not assume office, the Board of Supervisors may appoint a successor. If the Board of Supervisors does not appoint a successor, it must call a special election, and the person receiving the highest number of votes would fill the vacancy.

The measure supersedes California general law with regard to filling vacancies in the office of Supervisor, but does not affect other general laws of the State of California or County ordinances already adopted by the voters.

Future changes to the charter must be submitted to the voters for approval.

#### IMPARTIAL ANALYSIS BY COUNTY COUNSEL MEASURE W

This measure would amend the Orange County General Plan ("General Plan") with respect to unincorporated land within the El Toro Marine Corps Air Station ("MCAS El Toro"), and repeal Measure A, which was adopted by the voters on November 8, 1994, designating much of MCAS El Toro for civil aviation and related uses.

Currently, approximately 2,170 acres of land within the approximately 4,700 acre MCAS El Toro site is planned for airport and related uses. Approximately 1,560 acres is currently planned for airport compatible uses, including a regional park and two golf courses. An approximate 970 acre site in the northeastern portion of MCAS El Toro is designated as Habitat Reserve.

The measure would amend the General Plan to prohibit the County's use of MCAS El Toro for a civilian airport and to add two new categories of "Open Space" - "Nature Preserve" and "Education/Park Compatible" - applicable only to lands within MCAS El Toro. This measure would designate unincorporated areas within MCAS El Toro for specified uses.

- The northeastern portion would be designated as "Nature Preserve" to permanently preserve natural habitat in accordance with the Central Coastal Natural Community Conservation Plan. Only passive recreational uses would be permitted.
- The central and northwestern portions would be designated "Open Space Reserve", including an urban regional park. This could include various recreational and cultural uses.
- The southern and southwestern areas would be designated "Education/Park Compatible". This could include educational uses and supporting research and development, including infrastructure improvements, health care, child care and transportation facilities, and housing, to support educational uses. Many of the recreational and cultural uses permitted in the "Open Space Reserve" would also be permitted in the "Education/Park Compatible" area.

In the "Open Space Reserve" and "Education/Park Compatible" areas, pending transition to park-compatible development, the measure would permit leasing of MCAS EI Toro facilities, agriculture, plant nurseries, material recovery/recycling facilities, recreation, housing and employment.

Currently, "Open Space Reserve" land is restricted to open space uses by the General Plan. The measure provides that "open space compatible" uses would also be permissible. "Open space compatible" uses in Open Space Reserve are not clearly defined. "Compatible uses" in Open Space include materials recovery/recycling facilities and low-intensity, high technology, industrial, research and development, office and educational uses and childcare facilities. It is unclear whether "open space compatible" uses are limited to only that Open Space Reserve located at MCAS El Toro. As a result, those "open space compatible" uses described above may potentially be allowed in other areas in the County designated as "Open Space Reserve", if such areas are not otherwise restricted in use. There are currently approximately 120,100 acres of Open Space Reserve in unincorporated Orange County.

The measure makes conforming amendments to the other elements of the General Plan.

The measure provides that it is retroactive to April 30, 2001 and that it would invalidate any inconsistent activity, land use or project occurring after April 30, 2001.

The measure provides that it may be amended only by a vote of the people.

The above statement is an impartial analysis of Measure W. If you desire a copy of the Measure, please call the Registrar of Voters office at (714) 567-7600 and a copy will be mailed at no cost to you.

#### **FISCAL IMPACT STATEMENT**

Election law limits discussion of fiscal impact to "the amount of increase or decrease in revenues or costs to the county if the proposed measure is adopted." Accordingly, analysis of broader potential economic impacts, while they may be significant, is outside the scope of this statement.

Estimating the effect on the County General Fund is difficult because the measure does not set forth specific uses, commit funding or specify a development timeline for the El Toro property. Instead, the measure restricts development to a range of potential uses.

The scope of the development resulting from the measure, and the resulting development costs to be borne by the County, while unknown, are likely to be minimal and could be absorbed within existing budgetary resources because:

- Competition for County discretionary funds is intense. It is not likely that development of additional recreation venues would be ranked high when compared to other pressing demands for County resources.
- A slow paced development could proceed financed primarily by interim uses of existing facilities. An independent consultant determined that approximately 1,162 acres (862 acres for recreational use and 300 acres for education compatible uses) could be developed over a 19-year period at a total County cost of \$37 million. Changing the size of the development or its timeline would modify this cost.

Costs to the County would be further mitigated because:

- . The uses permitted by the measure will likely result in the transfer of the property by the Navy at no cost.
- · Environmental clean-up costs will likely be borne by the Navy.
- There is a possibility that the City of Irvine would annex the property in which case the nature of development and its related costs would be determined and borne by the city.

However, the County could elect to refuse transfer of the base from the Navy. If so, the County would remain liable for approximately \$11.3 million of operating costs until termination of the interim master lease in 2005.

Passage of the measure would eliminate the possibility of accruing approximately \$82 million in net General Fund revenues attributable to an airport at El Toro over the next 19 years as projected by the County's Airport System Master Plan. This net revenue assumes an 18.8 million passenger per year airport and 1,273 acres of non-aviation development including approximately 700 acres for recreational uses.

A less quantifiable factor affecting any development at El Toro is the unknown level of environmental risks associated with the property. Although the Navy is ultimately responsible for cleanup, there is no required timeline that the Navy must follow. Transfer delays could be caused by requiring a new Environmental Impact Report to be filed if the measure is successful. Revenue and expense projections of either a park or airport development could be greatly affected through delays resulting from the discovery of undisclosed environmental hazards during construction.

#### ARGUMENT IN FAVOR OF MEASURE W

#### This election is about our Quality of Life

A YES vote on Measure W will enhance our quality of life by designating the former El Toro Marine base for use as a nature preserve, a central park and for cultural, sports and educational uses.

We must not allow the Orange County Board of Supervisors to diminish our quality of life by allowing a huge, costly, and unnecessary international airport to be built at El Toro.

#### Measure W will create an oasis in the heart of Orange County

It will preserve prime land in the center of Orange County for universities, schools, museums, libraries, sports parks, botanical gardens, and a vast Central Park similar to San Diego's Balboa Park. A 1,000 acre undeveloped nature preserve running through the park will complete a vast open space network and wildlife habitat stretching from the Pacific Ocean to the Cleveland National Forest.

#### No new taxes

Please read the Initiative carefully. Section Two, Paragraph D says "No New Taxes. This Initiative does not raise taxes." Interim revenues from the existing 1,000 houses, the three million square feet of commercial buildings, and the agricultural land will more than pay for maintenance and upkeep of the property. Excess interim revenues, private donations, state park bond revenues, and federal park allocations will fund park development on a pay as you go basis. Local taxpayers face absolutely no risk by voting **YES** on Measure W.

#### Stop the Airport

The alternative, an international airport at El Toro would create more traffic, increase air pollution, reduce property values, and drive businesses away from Orange County.

Measure W is about the future, about hope, about our quality of life, and about the legacy we will leave to our children. Vote YES on Measure W.

s/ William G. Kogerman President, Orange County Taxpayers for Good Government

#### ARGUMENT AGAINST MEASURE W

#### GREAT PARK PROMOTED BY IRVINE WILL MEAN A GREAT TAX!

Don't be misled by proponents' claims that Measure W will not require new taxes. Measure W is just the first step in Irvine's plans for the Great Park they've promoted for the last year. It does more than change zoning.

#### Every credible expert who's examined the City of Irvine's grandiose plans for El Toro agrees building and maintaining a park will require millions of your tax dollars!

The Orange County Register called it "the Great Pork" with "gobs of taxpayer funds needed to support even the least ambitious use of the acreage." And we'll have nothing to show for it for at least 60 years-if ever.

#### HOW MUCH WILL YOU PAY FOR GREAT PARK?

Vote No on Measure W. The Orange County Taxpayers Association calculates a <u>10% countywide properly tax Increase</u> to pay for Irvine's pie-in-the-sky park. Calculate your own tax hike. Need help – <u>www.ocgreatpark.org</u>.

Former California Auditor General Kurt Sjoberg says,

"...tax increases to affected residents ... would be severe - roughly \$180 million to \$240 million per year for 20 years."

What is the Great Park? Proponents are hiding the details. They don't want you to know how much it will cost. Even *The Irvine World News* says: "...county residents deserve to hear just where the money is coming from, realistically, to build and maintain a Great Park."

#### A majority of former Irvine City Council members rejected their own park financing plan, calling it <u>"overly optimistic</u>." One called it <u>"misleading junk</u>."

A Great Park will drain money from the County's limited budget for police, fire, and schools.

Measure W is a scheme to gain control of El Toro.

#### **INFORMATION FOR VOTERS**

If you moved within Orange County and did not reregister at your new address, you may vote and reregister for future elections EITHER at the Registrar of Voters office OR at the polling place for your new address.

#### LAST DAY TO REQUEST ABSENTEE BALLOT

Complete and return the application for an absentee ballot printed on the reverse side of this page. The application must be received by the Registrar of Voters no later than February 26, 2002. Be sure to sign your application.

#### HOW TO RETURN YOUR VOTED ABSENTEE BALLOT

You may return the ballot by mail or in person to the Registrar of Voters office or you may return the ballot in person to any polling place located within Orange County. If, due to illness or physical disability, you are unable to personally return your ballot, you may designate one of the following to return the ballot for you: spouse, child, parent, grandparent, grandchild, brother, sister, or anyone residing in your household.

#### NOTICE TO THE PHYSICALLY HANDICAPPED

A "YES" printed below the handicapped symbol/arrow on the reverse side of this notice indicates that the polling place is accessible to the handicapped. A "NO" printed in this area indicates that the polling place is not accessible to the handicapped. If the polling place is not accessible to the handicapped, the voter has the right to appear outside the polling place and vote a regular ballot or apply for an absentee voter's ballot by mail.

#### PERMANENT ABSENTEE VOTER STATUS

Any voter may apply for Permanent Absentee Voter (PAV) status. Simply check the box located on the absentee ballot application on the reverse side of this card. Statutes require that we terminate your PAV status if you fail to return an executed absentee ballot for any statewide direct primary or general election. In this case, you would need to re-apply for PAV status.
