GET WITH IT!

SELECTING A PARTY

You do not have to select a party; however, you are not permitted to vote in a primary unless you are registered in that party. Florida has two major parties - Democrat and Republican. You may select a minor party. They do not have primaries. Party affiliation makes no difference in a General Election when you may vote for any candidate regardless of his/her Party. If you do not want to be affiliated with any Party at this time, you register as an NPA (No Party Affiliation). You may later select a party by informing our office in writing.

An Absentee Ballot may be requested any time in the year prior to the election. Instructions as to the procedure to be followed in voting absentee will accompany the ballot sent to you. WHAT'S UP?

THE IMPORTANCE OF JUST ONE VOTE

The most often heard excuse for not voting in an election is "my one little vote won't make a difference."

Yet history has proven the enormous power of one single vote. In many cases, the course of a nation's history has been changed because one individual ballot was cast - or NOT cast!

Consider this:

1. By a margin of just one vote, Texas, California, Oregon, Washington and Idaho became states.
2. England's King Charles I literally lost his head when the vote to behead him was 67 against and 68 for. The ax fell thanks to one vote.
3. In the U.S. Presidential Election in 1800, Thomas Jefferson and Aaron Burr tied the electoral college vote, throwing the election into the House of Representatives. After 36 separate ballots, Jefferson finally won the election by one vote.
4. The Alaska Purchase of 1867 was ratified by just one vote paving the way for eventual annexation of America's largest state.
5. One of the greatest political trials in America's history ended in May, 1868, when an impeachment vote in the U.S. Senate against President Andrew Johnson failed by just one vote.
6. On November 8, 1923, members of a recently formed political party met at a beer hall in Munich to elect a leader. By a majority of just one vote, they chose an ex-soldier named Adolf Hitler.
