## GENERAL INFORMATION

### OBJECTIVES

#### Statement of Purpose

To provide the public with election information and referral services on election day to all citizens statewide.

#### Statement of Role

The role of the Election Information Service (EIS) is to provide first level election information to the public. This is carried out by EIS operators who will:

- a. Provide appropriate answers to callers' questions after referring to the EIS Manual.
- b. Fill out Buck Slips for callers requesting further action or information.
- c. Refer incoming calls to appropriate person/section of the Office of Elections.

#### Statement of Responsibilities

We are all here for the public and because of the public. As EIS operators, are the public's first contact with the Office of Elections. The public's image of the Office of Elections will be created by you as you answer the phone. Therefore, as you deal with the public, remember that your attitude is all important. The public's perception will be determined by your:

- accuracy of information
- cheerfulness
- enthusiasm
- courtesy
- spirit of helpfulness

Welcome to the Voter Services Division, Office of Elections.  
Keep your sense of humor, keep it upbeat and enjoy!

## Reminders

- Record all calls and information on Buck Slips and on the Telephone Operators Record Book.
- Fill out the buck slips **completely, accurately, and legibly**.
- The most commonly asked question is "Am I registered to vote?" followed by "Where is my polling place?" You and the terminal operators will work together on this...using Buck Slips, of course.
- The polls are open until 6:00 p.m. no later.
- Be able to explain AB and QA (this does not stand for Question and Answer!!!)
- Do not answer questions you are unfamiliar with. Refer them to a floor manager.
- Direct any media personnel to Jana Chang Michel.
- If you should receive any calls from precinct officials, advise them to call the special number assigned to their precinct unless they have a complaint. EIS is not geared to provide precinct support.

1. Voter Registration Calls
2. Complaints
3. Messages

**For all Buck Slip calls, the following needs to be filled out:**

- (a) Specify priority of call:

Priority 3 (For your information, leave in "out" tray)
- (b) Circle appropriate election (primary or general)
- (c) Fill in the year.

- (g) Write the name of the caller in the "Caller" box.
- (h) Fill in the District/Precinct number in the "D/P" box.

### B. Voter Registration Calls

1. These are calls that pertain to an individual's registration and usually fall into two categories:
  - a. Voter registration status
  - b. Polling place location

All "voter registration" calls are posted in Section III of the Buck Slip, and referred to the Computer Terminal Operators located in the middle of each table. To process a voter registration call, follow these steps:

- (a) Obtain all the necessary information from the caller/voter to complete the "Voter Information" box in Section III of the Buck Slip. Be sure to include:
  - Social Security number
  - Birth date
  - Gender
  - Last name, first name, middle initial
  - Home address (no P.O. Boxes)
  - Mailing address (no out-of-state)
- (b) Record all information completely and accurately.
- (c) Route the Buck Slip to the Computer Terminal Operator in the middle of your table.
- (d) Do not hang up the phone unless instructed to do so.
- (e) Standby for a decision from the Computer Terminal Operator.
- (f) Inform the caller of the decision.
- (g) Place the completed Buck Slip in your Control Center Telephone Operators Record Book.

C. Complaints

1. All complaints are to be logged in **Section II** of the Buck Slip.
2. Under **Description**, describe the complaint as fully as possible. If the complaint is about a particular precinct or district, be sure to get the District/precinct number or polling place name. Also get the name, phone number, and address of the caller if they wish to give it, so that we can follow up with them after the election.
3. Under **Disposition**, describe the source of action taken. For example; if the caller was referred to another department, if you resolved the issue by giving them information, or if the caller hung up without a conclusion.

D. Taking Messages

1. All messages are to be taken in Section I of the Buck Slip. Messages are to be taken for Elections staff, Jana C. Michel, etc. .

II. Informational Calls

Calls that do not require a Buck Slip are called Informational calls. These calls come from citizens who have questions that can be answered by using the EIS manual. These calls need to be logged in the Operators Log Book so that we may keep track of the public's concerns regarding elections.

Hawaii also holds a Special election to select members to the board of Trustees of the Office of Hawaiian Affairs (OHA). To vote in this election, you must be registered to vote in OHA elections.

## REGISTRATION INFORMATION

### QA/AB

A questionable address occurs when the county clerk cannot deliver the Notice of Voter Registration (salmon colored) to you at the specified address.

AB (absentee ballot) occurs on the registration sheet at the polls. Registered voters with the AB designation were issued absentee ballots and cannot vote at the polls unless they surrender their AB ballots.

### Same Day Transfer of Registration

Same day transfers of registration to update information are allowed. This permits registered voters to update their registration at their new polling place.

## **SPECIAL CIRCUMSTANCES**

### **Military personnel**

The Uniformed and Overseas Citizens Absentee Voting Act (UOCAVA) permits absent uniformed services and overseas citizens to use absentee procedures to vote by absentee ballot in Primary, General, and Special runoff Elections for Federal offices; and permits overseas citizens to use a "Federal Write-In" absentee ballot in general elections for Federal offices.

Citizens residing overseas are those persons who reside anywhere except the states of the United States, the District of Columbia, the Commonwealth of Puerto Rico, Guam, the Virgin Islands, and American Samoa.

An absent uniformed services citizen is:

- A member of a uniformed service on active duty who is absent from the place of residence where the member is otherwise qualified to vote;
- A member of the merchant marine who, by reason of service in the merchant marine, is absent from the place of residence where the member is otherwise qualified to vote; or
- A spouse or dependent of a uniformed services citizen referred to the above.

An overseas citizen is:

- An absent uniformed services citizen who, by reason of active duty or service is absent from the United States on the day of the election involved;
- A person who resides outside the United States and is qualified to vote in the last place in which the person was domiciled before leaving the United States; or
- A person who resides outside the United States and (but for such residency) would be qualified to vote in the last place in which the person was domiciled before leaving the United States.

Any unregistered person unable to register in person may register absentee. To register to vote, the applicant must mail a completed Federal Post Card Application (FPCA) to his/her County Clerk not earlier than 60 days before the election and no later than 30 days before an election. An absentee ballot may be requested at the same time.

## **Felons**

If a convicted felon has completed his/her required incarceration or is presently on parole or probation, he/she is eligible to register to vote (provided they meet the other requirements).

## **Physically Challenged Individuals (Curbside Voting)**

Most polling places throughout the state are accessible to physically impaired voters. For those few polling places that are not, Curbside Voting is a service for voters who are unable to leave their vehicles to vote.

## **INFORMATION ABOUT THE ELECTORAL PROCESS**

### **Single Party Primary System**

Hawaii has what is called a "single-party" primary election. The voter is given party ballots for all recognized parties and for nonpartisan candidates. The voter then selects one party or the nonpartisan ballot on which to vote. All unused ballots are discarded. This process is used to assure the secrecy of the vote and party preference.

### **Facts about reapportionment**

Reapportionment is the act of revising district boundaries for seats in a legislative body to ensure equal representation. The purpose of reapportionment is to ensure that elected officials in a legislative body represent the same number of people. As population changes over time, the district lines must be redrawn in order to achieve equal numbers of people in each district.

### **Electioneering and Campaigning**

Electioneering or forms of political activity are not allowed within a 200 foot perimeter of the polling place and its appurtenances. Appurtenances include:

- 1) The building in which the polling place is located;
- 2) Any parking lot adjacent to the building and routinely used for parking at that building;
- 3) The routes of access between the building and any parking lot; and
- 4) Any route of access between any public thoroughfare and the polling place to ensure an open and accessible ingress and egress to and from the polling place for voters.

Electioneering include the following:

- 1) Political signs on public or private property
- 2) Political clothing
- 3) Campaign buttons
- 4) Distribution, circulation, carrying, or posting or staking of campaign cards, pamphlets, posters and/or literature;
- 5) Public address systems and other public communication media, such as radios.
- 6) Motor caravans or parades; and Entertainment troupes or free distribution of goods and services.

Cars and other vehicles with political signs and stickers may remain within the 200 foot perimeter only during the time their drivers or occupants are actually voting. Precinct officials who have cars with political bumper stickers must cover the stickers for the day.

### **Presidential Elections and the Electoral College**

The president and vice president of the United States are elected in a two step process. The first step is carried out by the electorate of the nation; and the second by a group of people called the "Presidential Electors." This system of electing the president and vice president is called the Electoral College System. The System is designed to ensure the indirect election of the president.

The names of the candidates for president and vice president shall be used on the ballot in place of the names of the presidential electors. The votes cast for president and vice president of each political party shall be counted for the presidential electors and alternates nominated by each political party. In Hawaii, the chosen electors will meet to cast their votes at 2:00 p.m. on December 16, 1996 at the State Capitol.

## VOTER PRIVILEGES

### Voting Eligibility

A voter must meet the following requirements:

1. United States Citizen

**NOTE:** Individuals from Guam, Puerto Rico, U.S. Virgin Islands and Commonwealth of the Northern Marianas Islands are considered U.S. citizens. Individuals from American "flag" territories (e.g. American Samoa) are considered U.S. Nationals (not U.S. citizens) and therefore do not enjoy the privileges of U.S. citizens.

2. Hawaii resident; and

**NOTE:** Residency is determined by the presence of the individual and the intent of the individual to make Hawaii a legal permanent place of residence.

3. Eighteen (18) years old by date of election.

**NOTE:** 16 year olds may pre-register but may not vote

### Time Off For Voting

You may be entitled to up to at least two consecutive hours from work on election day in order to vote. Consult with your employer first and retain your ballot stub as proof of voting.

**NOTE:** To lessen the impact on your employer, we recommend that you vote prior to work or one hour prior to your quitting time.
