**COVID Protocol:**

IFES takes seriously the safety of our sponsors, partners, speakers, guests and volunteers. For this event, we are following Government of the District of Columbia health regulations. Presently, there is no DC mandate for proof of vaccination, proof of negative test nor mask requirement for indoor events. Accordingly, IFES is not requiring proof of vaccination or a negative test at this time. Wearing of masks will be optional. IFES' COVID-19-certified event planner is working with the Four Seasons Hotel to implement enhanced safety protocols for all food and beverage service and to ensure quality air filtration. We will continue to update this protocol as circumstances warrant. **If you are feeling at all unwell, we strongly encourage you to stay home.**
