3.6. **Selection and Notification**

IFES will evaluate Responses to identify responsible Bidders and responsive offers. Finalists will be selected to move into the negotiation phase of this process. Written notification will be sent to finalists via email.

4. **SCOPE OF WORK/Goods/Services**

Recognizing a special need for professionally trained electoral officials to increase the efficiency of the electoral process, IFES plans a comprehensive training program including training of trainers (TOT) for the cascade training initiative, training events for Territorial Election Commission (TEC) and Precinct Election Commission (PEC) members before the Local Elections scheduled for the fall 2020.

The training initiative will be implemented throughout Ukraine, in September and October 2020 totalling up to 370 online training for TEC members and 500 online training for PEC members in 25 oblasts in this electoral cycle. The training addresses primarily the flaws identified during a prior review of the electoral process and electoral bodies’ activity as well as the proper application of the legal framework in the process of preparation, administration, and conduct of all phases of local elections.

While trainings will take place in September and October, an additional two months are needed to reconcile all invoices and provide all required documentation to IFES. It is also possible, that some additional training will be required in certain oblasts, and if such demand arises, IFES will contact relevant vendor/s on as needed basis.

IFES expects from each bidder to:

- Provide full-range technical support for the series of online training of TEC members, including scheduling the event, and checking the technical conditions/availability of all the invited participants to join the event in ZOOM or other relevant platform. It is anticipated that there will be around 370 trainings for the TEC members, 20-40 participants each.
- Organize and conduct online training event for the TEC members;
- Organize and conduct online training event for the PEC members; It is anticipated there will be around 500 online training for PEC members, 20-40 participants each.
- Oversee and coordinate the process of training events in the relevant regions with a clear management structure;
- Timely notify relevant TEC and PEC members about upcoming training and provide all necessary information on how to participate in online participation.
- Submit weekly reports on the conducted training events to IFES and in formats to be determined by IFES.
- Organize and conduct a system of monitoring and evaluation of the training events conducted under the contract under IFES guidelines provided by IFES before each training.
- Ensure close communication with election management bodies on upcoming training and ensure their participation.

5. COVERAGE
The requested services should be provided in all oblasts of Ukraine including in Donetska and Luhansk territories controlled by Ukraine.
Please find below list of all Oblasts in Ukraine:

LIST 1 - Oblasts

Before applying please consider following factors:

• Each bidder should apply to cover at least three oblasts from the list above, excluding Donetska and Luhanska. It is possible to apply and cover exclusively Donetska and Luhanska territories controlled by Ukraine. In all other cases at least three oblasts should be covered by the bidder.
• Potential bidders are free to choose number of oblasts based on their experience and ability to effectively communicate training information with local election management bodies.
• IFES reserves the right to contract one, multiple, or none of the bidders.
• IFES will determine exact number of trainings to be provided and will communicate that with the selected vendor/s.
• It is up to the bidder how they cluster oblasts into regions or sub regions. IFES should have a clear information which oblasts will be covered and how bidder will manage and oversight multiple trainings conducted at the same time and how bidder plans to communicate with election management bodies.
• As training covers entire Ukraine, IFES encourages active engagement of local vendors in order to ensure effective communication with the oblast/rayon commissions and to efficient
schedule/conduct of events for the specific number of the TECs and PECs in each oblast in a short time frame.

6. FUNCTIONAL REQUIREMENTS

6.1. Timeline

The training initiative for the Territorial Election Commission (TEC) should be conducted in September. Training for Precinct Election Commission (PEC) members should be completed in October throughout Ukraine. Due to short time frame, it is required to conduct **multiple training events daily in each Oblast** before the local elections. Bidder/s should provide all deliverables and required documents to IFES in November and December, before the end of the contract.
